

Employment by sector and AI-exposure quintile

Headcount (October 2022 = 1)

— Q1 (least exposed) — Q3 — Q5 (most exposed) — Overall

Notes: Employment counts normalized to October 2022 = 1. Dashed vertical line marks the launch of ChatGPT (November 2022). Exposure quintiles based on Eloundou et al. (2024) GPT-4 beta, mapped to STYRK-08. Darker lines indicate higher AI exposure.
